Dear Mr. Spackman:

Request to be included in the Mitigation for Water District 34

The Corporation of the Presiding Bishop of the Church of Jesus Christ of Latter-day Saints owns several properties and water rights within Water District 34. We understand that a mitigation plan has been approved, and that we are able to participate in this plan. Please include all Church owned properties and water rights in this mitigation plan, including water rights recently acquired from Lynn and Arvella Rothwell (34-13752 & 34-13754). We are in the process of submitting a "Notice of Change of Water Right Ownership" to the Department of Water Resources for the water rights acquired from the Rothwells.

Please send all correspondence, assessments, and bills to:

Corporation of the Presiding Bishop
Natural Resource Services
50 E North Temple Street, 12th Floor

We understand that by us submitting this letter, we are able to use pump groundwater according to our water rights. Please contact me if you need any other information. I can be contacted at (801) 240-4656.

Sincerely,
